### ABOUT ME AND MY EXPERIENCE

---

- I am 19 years old
- I graduate from high school in Shahid Fakher Mergasori.
- I am a top student in the Department of Computer Engineering at the Lebanese French University, Faculty of Engineering and Computer Science.
- I have a strong proficiency in C++, I specialize in bridging the gap between software and hardware.
- As an Assistant and Administrator in the NICER Club—our university's leading student development club focused on robotics and hardware projects.
- I take charge of key tasks, driving innovation at the intersection of engineering and technology. My passion lies in transforming ideas into reality, creating seamless integration between software, hardware, and robotics to push the boundaries of engineering.

- DEDICATED TO PROVIDING EXCELLENT CUSTOMER SERVICE WITH A SMILE.
  - ORGANIZED, DETAIL ORIENTED, AND EXPERIENCED IN PROPERLY HANDLING DAILY ACCOUNTS AND MANAGING INVENTORY.
  - SEVERAL YEARS OF EXPERIENCE IN VARIOUS RETAIL SETTINGS.
  - I'VE EXPERIENCE IN MARKETING OF SHOES AND COSMETICS STORES .
  - I KNOW ALL MS OFFICE, ADOBE PHOTOSHOP, GRAPHIC DESIGNER, MATLAB.
-
